About "The Magic of Hospice"

This program was started by local family physician and former Elizabeth Hospice Board of Director, Dr. Jeffrey Pearson (San Marcos). Dr. Pearson has been performing close-up comedy magic for years and has made "magic house calls" to his patients that have been very well received. In addition to membership in the IBM, Dr. Pearson is also a magician member of the Academy of Magical Arts, more commonly known as The Magic Castle, in Hollywood.

Laughter IS the best medicine. Let Dr. Pearson or one of his magical colleagues perform a close-up magic show in your home. This is a free program so take advantage of the opportunity to be amazed by some fun close-up magic. Contact the Elizabeth Hospice to arrange your "magical house call!"
